

Edar Successful Franchise

Edar franchising system is one of the most successful examples in Egypt. Known for our high sales rates, professional customer service and state of the art real estate technology, E-dar was able to establish a network of 9 branches all over Egypt.

The underlying reasons for a set of factors that no other real estate company can provide, E-dar is providing a value proposition that are not available else-

where, some of the benefits franchise enjoy are:

- E-dar trademark.
- Proven track records.
- E-dar periodical magazine.
- Continuous training and development.
- The full support of E-dar network.
- Less operational cost.

- E-dar.com one of the best real estate websites in Egypt.

- Decreased risk of failure.

E-dar is looking for representation mainly in Heliopolis, Nasr City, and Ain El-Sokhna. Besides, others from all over Egypt are invited as well, except for Alexandria, Sharm, and Hurgada where we have already mastered the market.
