This will be the first aqua park in the region. Furthermore, the architectural style of Prestige Water Falls is very distinctive which gives the place a magnificent atmosphere.

According to Mr. Ahmed Mohamed and Eng. Karm Ramadan, the first stage of this project will have a variety of sizes, ranging from studios 1 - 2 bedrooms apartments. The company will be offering the units for a special price for Egyptians during the upcoming weeks before internationally offering them.

According to real estate marketing research done for the project, the expected demand will be relatively high by both investors and home owners.
